Suggested Retail Price: \$149.95

Distributed by:

- The Abranet™ Sheet Sanding System is the most revolutionary product introduced to the surface finishing industry.
- Abranet strips outlast traditional abrasives for greater efficiency.
- Immediate dust removal allows for better sanding.
- Extended product life requires less use of materials.
- Abranet mesh strips use a hook and loop attachment with vacuum backup pads.
- Dust-free sanding improves working conditions with less environmental impact.

The dust-free solution
